Last revised August 14, 2023

- 1. Community Living Standards.** All residents are expected to comply with established standards of community living, including maintaining adequate standards of personal hygiene and room cleanliness to avoid interference with the general comfort, safety, security, health or welfare of the community or a resident's roommates. Any personal safety or welfare issues should be brought to the attention of management; any resident forcing or attempting to cause another resident to leave their own apartment or townhome ("residence") may be subject to termination.
- 2. Dangerous or Disruptive Activities.** Activities that endanger residents and/or the community are strictly prohibited, including but not limited to being on roofs, climbing from windows and scaling or rappelling from outside walls or balconies, improper use of security doors or interfering with the locking of any door, throwing objects from windows or balconies, playing sports or participating in similar outdoor activities indoors or from balconies, or any violent, threatening, belligerent or unlawful acts.
- 3. Drug- and Crime-Free Policy.** Any drugs, drug paraphernalia or criminal activity, by a resident and/or guests, will be considered a material breach by the resident of the Housing Agreement and may subject the resident to immediate termination.
- 4. Maintenance.** Service calls will be performed during normal work hours (generally 8am to 5pm), except in the case of a legitimate property emergency. All service calls must be reported to the management office by telephone, in person, by e-mail to office@copperbeech-bowlinggreen.com or by submitting an online work order through the "Residents" link at <https://copperbeech-bowlinggreen.com> (preferred). Maintenance technicians employed by management are not authorized to accept any individual requests without the request being submitted as a normal work order through management. Service calls will generally be performed on a first come, first served basis with priority given to those requests that may constitute a hazard or create significant discomfort for the resident(s). Residents are expected to report maintenance or facility concerns promptly and may be held responsible for damage or utility charges for failure to report issues within a residence.
- 5. Care of Premises.** Stickers, adhesive tape, nails, screws or hooks may not be used on floors, walls, woodwork or doors. Thumbtacks, pushpins and non-marking adhesive materials are permitted in moderation. Each resident (together with roommates as applicable) is responsible for cleaning and keeping the assigned residence and all furnishings in a clean, safe and sanitary condition. Trash should be disposed of promptly and properly. A dumpster is provided by management; however, furniture, chemicals, hazardous materials, batteries, computer monitors, televisions, computers, stereos or other electronic devices are not permitted in the dumpster. All such materials must be taken by the resident to a local facility designed for disposal of such materials. Cigarette butts may not be left anywhere on the grounds of the community. Residents are expected to maintain balconies, patios and other private areas both inside and outside of the residence. No trash may be kept on porches or balconies, or otherwise outside of a residence, even in bags or cans.
